The Skills Lab is a comprehensive capacity development program designed to empower organizations by enhancing diverse skills unique to any organization's needs to achieve long-term sustainability and success.

The Human Resource Development Service (HRDS) envisions a high-performing, competent, and engaged workforce by providing relevant and strategic learning and development (L&D) interventions to address the competency gaps and identify our officials' and employees' career development needs. To achieve this, the Service continues to identify and coordinate with external Learning Service Providers (LSPs) for training that are not available in the Department.

Should you find the learning event relevant, please submit a duly accomplished Endorsement Form to the Training and Development Division, HRDS, through the DENR-HRDS L&D portal link: [bit.ly/LNDportal](http://bit.ly/LNDportal), **at least two (2) weeks prior to the activity**, for the preparation of necessary Special Order.

Participation is subject to the availability of funds and the usual accounting and auditing rules and regulations.

The registration fee varies depending on the program to be paid to ISA. To learn more about registration and event details, your staff may contact Ms. Kristine Ronaldo of ISA through email address: [programs@isacenter.org](mailto:programs@isacenter.org).
