**Ms. Maria Antonia Yulo Loyzaga**  
Secretary  
Department of Environmental and Natural Resources

Dear **Sec. Loyzaga**:

Greetings of peace from the Philippine Technological Council (PTC) Women Engineers Network (WEN)!

PTC WEN recognizes the contribution of women to the field of science and engineering and as such, we would like to invite the women engineers and scientists from the *Department of Environmental and Natural Resources* to its annual summit which over the years made its own mark. For this year we will be back to its historic venue where 1<sup>st</sup> Philippine Women Engineer Summit 1 was held in 2015.

PTC WEN will be holding its **7<sup>th</sup> Philippine Women Engineers' Summit 2023** and *6<sup>th</sup> Lakambining Inhinyera* on August 03 to 05, 2023 at Century Park Hotel, Manila. Our theme for this year's summit is "*Women Engineers and Scientists as Global Leaders in Sustainable Partnerships for Renewable Energies and Technologies*". The summit recognizes the key players at the forefront of innovation in renewable energies and technologies and leads the way in creating partnerships that are critical to achieving sustainability goals. The summit is a venue for the speakers and participants to share their activities, programs, projects, and technologies undertaken by women engineers and scientists.

Relative to this, we would like to invite your women engineers and scientists to attend the summit and request your support for the wide dissemination and endorsement of the invitation in your institution. The summit will be presented in a hybrid format with the following registration fees:

On-site participant:	₱ 6,000.00
Discounted On-site Participant (May 1 to July 15, 2023, only)	₱ 5,500.00

**On-site participants will enjoy one-year FREE PTC WEN membership with ID, summit meals, a souvenir kit, and freebies.**
