MEMORANDUM

FOR : **THE DIRECTORS**
Forest Management Bureau
Land Management Bureau
Biodiversity Management Bureau
Environmental Management Bureau
Mines and Geosciences Bureau
Ecosystem Research and Development Bureau

THE SERVICE DIRECTORS
Legal Affairs Service
Human Resource Development Service
Administrative Service
Strategic Communication and Initiatives Service

FROM : The OIC Director
Policy and Planning Service

SUBJECT : **REQUEST FOR ACCESS TO INFORMATION
MANAGEMENT SYSTEMS**

DATE : 29 AUG 2023

This has reference to the recently-concluded CY 2023 Mid-Year Assessment and Forward Planning of the Policy and Planning Service (PPS) held last 25-28 July 2023 in Orani, Bataan where the Service identified the gaps and interventions to enhance operational efficiency in three key areas: a) policy development, b) integrated planning, and c) monitoring and evaluation.

One of the recommendations put forward by the Program Monitoring and Evaluation Division (PMED) is the accessibility of the Division to the various Information Systems (IS) lodged in the different Offices. This will certainly aid in the triangulation of data/accomplishments reported by the field offices. The validation of data with the help of functional/operational IS is highly beneficial in providing up-to-date/real-time information that are crucial to the management in decision-making, planning and policy formulation. The same will further assist in enhancing our M&E System as we embark on developing a results-based M&E System for the Department.

Relative to this, may we request for IS data-sharing which will require installation of your respective systems in the PMED or, at least, provide viewer access account to the data generated by these systems. Should this merit your consideration, rest assured that the PPS will adhere to the data-sharing protocols. The following are the pre-identified IS:

Office	Information System
FMB	<ul style="list-style-type: none"> • Enhanced Forestry Information System (e-FIS) • Lawin Forest and Biodiversity Protection System • Watershed Ecosystem Management Information System (WEMIS) • Carbon Accounting, Verification and Certificate System • E-Filing and Monitoring System for Illegal Logging Cases (E-FMS)
BMB	<ul style="list-style-type: none"> • Caves and Wetlands Information System (CWIS) • Database/ Consolidation on Protected Areas (PAs), Marine Protected Area, and Wildlife Conservation (Enforcement, Diversity Status of Philippine Wildlife – Flora and Fauna, and Current Population Estimate) • Protected Area Information System • Coastal and Marine Ecosystems Management Program (CMEMP) Online database • eCITES Permitting System
ERDB	<ul style="list-style-type: none"> • ENR Technology Generation Information System (ENRTGIS) • Monitoring and Evaluation System
EMB	<ul style="list-style-type: none"> • Real-time updating of values and figures to your database on Environmental Statistics available online
MGB	<ul style="list-style-type: none"> • Real-time updated monthly of values and figures to your Database Portal available online
LMB	<ul style="list-style-type: none"> • Enhanced Land Administration Information System (eLAMS)
LAS	<ul style="list-style-type: none"> • ADR Monitoring and Results System (ADR-MRS) • ENR Decision Case Monitoring System
HRDS	<ul style="list-style-type: none"> • Training and Development Resource Information System
Admin Service	<ul style="list-style-type: none"> • Records Management Information System • Enhanced Document and Action Tracking System
SCIS	<ul style="list-style-type: none"> • Stakeholder Management Information System

Should you have any clarifications/queries, you may coordinate with PMED at tel. no. 8928-9737 or through e-mail at ppso.pmed@denr.gov.ph.

For your favorable consideration, please.

CHERYL LOISE T. LEAL

cc: Undersecretary for Policy, Planning and International Affairs
Undersecretary for Finance, Information Systems and Climate Change
Director, Knowledge and Informations Systems Service
