The 18-Day Campaign to End Violence Against Women and their Children (VAWC) supports the Philippine government's goal of protecting the human rights of women and girls by upholding its commitment to address all forms of gender-based violence as enshrined in the 1987 Constitution. By virtue of Republic Act 10398 or the Act declaring November 25 of every year as the National Consciousness Day for the Elimination of VAWC, government agencies are mandated to raise awareness on the problem of violence and the elimination of all forms of violence against women and girls.

The DENR Gender and Development (GAD) Office commits to build the capacities of the officials, technical and administrative personnel of DENR Bureaus, Attached Agencies, Regional Offices down to the Provincial and Community Environment and Natural Resources Offices concerned on GAD-related concerns. In line with the 18-day Campaign to End VAWC, the DENR GAD National Focal Point System in partnership with FORA Communication, urges maximum attendance to the GAD Webinar Series beginning October 12 until November 16, 2023.
