OR NATIONAL CULTURAL HERITAGE ACT**

With reference to the Letter from the National Commission for Culture and the Arts (NCCA) dated 29 June 2023, enumerating the cultural properties under RA 10066, you are hereby requested to ensure that the integrity of cultural properties are respected and maintained in all proposed projects and activities concerned under PD 1586.

Department of Environment and Natural Resources (DENR)

Dear **Secretary Loyzaga**:

From the National Commission for Culture and the Arts (NCCA), Mabuhay!

Thank you for your continued commitment to work with the NCCA and the cultural agencies in ensuring that the pertinent provisions of the National Cultural Heritage Act (Republic Act [RA] no. 10066) are followed in the process of issuing Environmental Compliance Certificates.

The types of cultural properties under RA no. 10066 and its implementing rules and regulations are classified under three categories:

1. **Level I Cultural Properties**, or properties which have been declared because these possess outstanding historical, cultural, artistic and/or scientific value which is highly significant to the country and to the nation, and therefore are afforded the highest level of protection. These are: [a] UNESCO-inscribed World Heritage Sites, as well as sites in the tentative list; [b] National Cultural Treasures (NCTs); [c] National Historical Shrines (NHSs); [d] National Historical Monuments (NHMs); and, [e] National Historical Landmarks (NHLs).
2. **Level II Cultural Properties**, or properties declared because of its exceptional cultural, artistic, and historical significance to the Philippines, but have not reached the outstanding mark required for Level I properties. These are also accorded a high level of protection as cultural properties. Falling under this level are: [a] Important Cultural Properties (ICPs); [b] Heritage Zones and Historic Centers (HZ/HCs); [c] Archeological Reservations (ARs); [d] Heritage Houses (HHs); [e] National Historic Sites (NHSs); [f] Classified Historic Structures (CHSs); [g] all Gabaldon School Buildings; and, [h] other structures bearing markers from the National Historical Commission of the Philippines (NHCP), the Cultural Center of the Philippines (CCP), and the Komisyon sa Wikang Filipino (KWF).
3. There are also cultural properties identified and declared as such by **local government units**, which are included in the Philippine Registry of Cultural Properties (PRECUP). Other cultural properties regulated by various laws and issuances include: [a] Heritage Trees (declared and regulated by the DENR); [b] Ancestral Domains, under the jurisdiction of the National Commission on Indigenous Peoples (NCIP); and, [c] Historic vintage vehicles, under the regulation of the NHCP.

4. Finally, also considered as **presumed ICPs** are the following, even without a declaration or marker, and pending the removal of the presumption by the NCCA and/or another cultural agency: [a] works of a Manlilikha ng Bayan, National Artist, and National Heroes; [b] archeological (whether above or under ground, underwater or at sea level) and traditional ethnographic materials; and, [c] structures, as well as archival documents and materials dating at least fifty (50) years old.

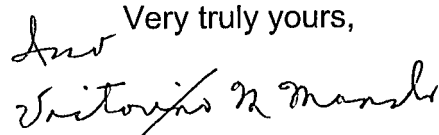

In addition, we wish to note that there are other cultural and national heritage properties or elements which, while not covered by RA no. 10066, are protected by virtue of their inscription or designation under international conventions which the Philippines has acceded to, such as the UNESCO List of Intangible Cultural Heritage, the UNESCO Memory of the World List, the World Network of Biosphere Reserves, the UNESCO Global Geoparks, the UNESCO Wetlands of International Importance, and the ASEAN Heritage Parks.

We are transmitting, for your ready reference, the list of declared Level I cultural properties, as well as the list of declared ICPs, Heritage Zones and Historic Centers, Archeological Reservations (ARs), and National Historic Sites (NHSs), as of 15 June 2023. We are also providing you with a matrix that summarizes these kinds of cultural properties and the cultural agency which has the primary regulatory jurisdiction over these.

We wish to also inform you that the PRECUP established under Section 4 (Article V) of RA no. 10066, is available online on our website, precup.ncca.gov.ph. While we cannot guarantee exhaustiveness at this point, we wish to assure you that all data in the registry is being updated on a regular basis through the validation of submissions from the cultural agencies, LGUs, and property owners.

Meanwhile, the list of all heritage houses, classified historic sites, and structures marked by the NHCP is available in the National Registry of Historic Sites and Structures in the Philippines, which is available in their own online database on nhcphistoricsites.blogspot.com.

Thank you very much and we look forward to the DENR's continued collaboration. In closing, please accept the assurances of my highest consideration and continuing esteem.

Very truly yours,

Chair

PAMBANSANG KOMISYON PARA SA KULTURA AT MGA SINING

29 June 2023

Hon. MARIA ESPERANZA CHRISTINA GARCIA-FRASCO
Secretary
Department of Tourism (DOT)

Dear **Secretary Frasco**:

From the National Commission for Culture and the Arts (NCCA), Mabuhay!

We would like to express our gratitude for giving the NCCA and our attached cultural agencies the opportunity to discuss our future steps on the Manila Central Post Office (MCPO), a declared National Historical Landmark (NHL) and Important Cultural Property (ICP) under the jurisdiction of both the NCCA and the National Historical Commission of the Philippines (NHCP).

Thank you, too, for supporting our vision of re-invigorating not only the MCPO complex, but also the entire cultural corridor of Manila, from the Pasig River to the the Metropolitan Theater, the National Museum Complex, Rizal Park, and even unto the San Nicolas-Binondo-Intramuros districts. We stand ready to work closely with DOT in unlocking the potential of the corridor not only in helping the arts and creativity sectors flourish, but also in helping boost tourism activities in the area.

We look forward to both DOT's and the Tourism Infrastructure and Enterprise Zone Authority's participation in the restoration of the MCPO, and welcome you as members of the Inter-Agency Task Force on Cultural Heritage (IATF-CH), along with the City Government of Manila and other agencies. Our Cultural Properties Protection and Regulation Division, which is the IATF-CH secretariat, will liaise with your office regarding the schedule of the next meeting.

Together with our attached cultural agencies, allow me to extend once more our sincerest appreciation for the continuous support that the DOT family has given us in our mandate of promoting and preserving Filipino culture and the arts. In closing, please accept the assurances of my highest consideration and continuing esteem.

Very truly yours,

VICTORINO MAPA MANALO, CESE
