FROM	:	**THE UNDERSECRETARY**

SUBJECT	:	**DENR DECISION SUPPORT SYSTEM (DeSS) EXECUTIVE ORIENTATION**
DATE	:	FEB 2 0 2024

As part of the directives of the Secretary, the Knowledge and Information Systems Service (KISS) developed the DENR Decision Support System (DENR DeSS) to provide an online platform that serves as a decision-support system intended to facilitate timely, data-driven, and evidence-based decision-making on ENR transactions. The Mines and Geosciences Bureau, Biodiversity Management Bureau, and Environmental Management Bureau are the identified priority bureaus of the system for the transparent processing of permits, agreements, and certificates. The system aims to link a number of existing information systems and databases and generate a summary of complex data in the form of indicators, charts, graphs, and maps.

In line with the implementation of the system on March 1, 2024, may we invite you together with your alternate personnel to an executive orientation on February 22, 2024, from 10:00 a.m. to 11:00 a.m. at the Social Hall 2nd Floor, DENR Main Building, to give a brief background, familiarity, and use of the system. All participants are requested to bring a laptop for easy access and navigation to the system.

Should you have any questions or concerns, you may course it through the Knowledge and Information Systems Service at <u>kiss.isd@denr.gov.ph</u> and <u>sdrmd@denr.gov.ph</u>.

Your attendance is highly enjoined.
