SUBJECT : VIDEO MESSAGE FOR THE LAUNCH OF DENR DECISION  
SUPPORT SYSTEM (DeSS)

DATE : FEB 20 2024

---

As part of the directives of the Secretary to ensure transparency of our processes, the Knowledge and Information Systems Service (KISS) developed the DENR Decision Support System (DENR DeSS) to provide an online platform to facilitate timely, data-driven, and evidence-based decision-making on ENR transactions. The system aims to link a number of existing information systems and databases and generate a summary of complex data in the form of indicators, charts, graphs, and maps.

To kick off its implementation, a hybrid launching of the system is scheduled on **March 1, 2024, 2:00PM-3:00PM**. In this regard, may we request for a recorded video message from you to express your support and commitment on the implementation of the DENR DeSS. The video message shall be played and viewed by all attendees, including the officials, DENR Bureaus, and other field offices during the launching event. In the interest of time, may we request that the video message does not exceed one (1) minute and in mp4 format for easier consolidation. You may send a copy of the video on or before **February 26, 2024**, at [sdrmd@denr.gov.ph](mailto:sdrmd@denr.gov.ph) for compilation. Enclosed is a copy of the DENR DeSS profile for your ready reference.

Should you have any questions or concerns, you may contact Ms. Kristialuz Camat through [kiss.isd@denr.gov.ph](mailto:kiss.isd@denr.gov.ph) or [sdrmd@denr.gov.ph](mailto:sdrmd@denr.gov.ph) or VOIP 1194.

For your consideration.
