SUBJECT : **CONDUCT OF SECURITY AWARENESS SEMINAR**

DATE : FEB 21 2024

The Philippine government continues to face an array of security challenges ranging from local communist terrorist movement, criminal activities, and sophisticated cyber-attacks targeting government facilities.

Along this line, the National Intelligence Coordinating Agency (NICA) will be conducting a Security Assessment Seminar (SAS) on March 1, 2024 from 9:00am to 5:00pm at the DENR Social Hall, Central Office.

The SAS aims to orient and educate our personnel on the significance of security in the workplace to safeguard personnel, functionaries, documents, facilities and communications systems from compromise, loss, and damage.

In this regard, we request from your good offices to nominate at least two (2) permanent employees handling vital and critical information of your office to participate in this upcoming seminar. Submission of nominations should be finalized on or before **23 February, 2024**.

A Special Order will be issued to the participants after finalizing their attendance to the event.

For further information, you may contact Mr. Cedric Santos from the Strategy Management and Organizational Transformation Office at casantos@denr.gov.ph / 8928-12-05 or loc 2016.
