---

Furnishing you herewith a copy of the Draft 2023 DENR Annual Report for your final review, particularly the section of the Report relevant to your sector. May we inform you that the accomplishments herein are based on your submitted Annual Reports and presentations during the Reprogramming Workshop in Tagaytay City.

Should you find it already in order, may we request you to affix your initials, as what you did in the 2022 DENR Annual Report. You may also include other significant accomplishments which are worth mentioning in the Draft Report. Said Draft Report can be accessed through <https://bitly.ws/3fb95>. We will appreciate receiving the Report with your initials not later than 26 March 2024.

For your consideration and preferential attention, please.
