MEMORANDUM

20 MAR 2024

FOR : All Regional Executive Directors

FROM : The Director
Strategic Communications

SUBJECT : **REQUEST FOR ASSISTANCE FOR THE CONDUCT OF SITE ADOPTION AND TREE GROWING ACTIVITIES WITH PAG-IBIG FUND**

Pag-IBIG Fund, through a letter sent to this office and as part of their organization's efforts to strengthen their commitment to environmental stewardship and to contribute in the protection and conservation of the environment, is planning to adopt graduated NGP Sites for all their regional offices and conduct tree growing activities on those sites starting this 2024.

In line with this, we would like to request for your offices' clearance and endorsement as well as assistance in the conduct of the said activity by identifying potential sites for adoption and providing personnel who will assist and support our partners in the process of creating a Memorandum of Agreement and the conduct of the said tree growing activities.

The SCIS Strategic Alliance and Environmental Partnership Division will be coordinating with your office regarding the details of the activity or you may reach us through telephone no. 8926-8346 or email at scis.saepd@denr.gov.ph.

For your consideration, please.
