MEMORANDUM

FOR : **THE DIRECTORS**
Biodiversity Management Bureau
Environmental Management Bureau
Mines and Geosciences Bureau

THE REGIONAL EXECUTIVE DIRECTORS
CAR, Region VII, and XI

THE REGIONAL DIRECTORS
Environmental Management Bureau - CAR, Region VII, and XI
Mines and Geosciences Bureau - CAR, Region VII, and XI

FROM : **THE DIRECTOR**
Knowledge and Information Systems Service

SUBJECT : **SUBMISSION OF THE DENR DECISION SUPPORT SYSTEM (DeSS) SIGNED USER-ACCEPTANCE TEST SCRIPT**

DATE : 08 MAY 2024

This pertains to the recently conducted User Acceptance Testing (UAT) last April 26, 2024 for the Decision Support System (DeSS). The DeSS was as an online platform developed by the Knowledge and Information Systems Service (KISS) that will serve as a decision support system intended for the Department's top management. As instructed by the Secretary, enhancements to the system were made to allow online filing of applications, which were all presented during the UAT.

As part of the agreement during the UAT, participants were expected to thoroughly test the system and complete the UAT test script by May 3, 2024. However, to date, only 4 out of 16 UAT participants complied with the agreement.

In this regard, please have all Designated DeSS focal persons from your respective offices submit the signed accomplished test script on or before **May 10, 2024**. We shall take the focal persons' failure to submit by this date as acceptance of the DeSS *en toto*. Please note that the result of the UAT-Sign Off shall be submitted to the Secretary thereafter. You may access the UAT test script thru: bit.ly/DeSSUAT2024.

For concerns and/or clarifications, you may contact the DENR DeSS Team at email address dess_support@denr.gov.ph cc kiss.isd@denr.gov.ph.

For compliance.

ARLENE A. ROMASANTA

cc: The Undersecretary for Field Operations - Luzon, Visayas and Environment
The Undersecretary for Field Operations - Mindanao
The Undersecretary for Special Concerns and Legislative Affairs
The Undersecretary for Finance, Information Systems and Climate Change
