FRAMEWORK PLAN**

**DATE :** **15 MAY 2024**

---

This refers to the project of the Department to **Update the 2021-2040 ENR Framework Plan**, in which it is imperative to utilize existing Master plans, Sectoral plans, and other national roadmaps from various sectors within the Department as part of the stocktaking and scoping exercise. The ENR Framework Plan serves as the blueprint in attaining sustainable development in pursuit of resource conservation and environmental protection by providing direction to ENR management in the country that is responsive and reflective of current issues and emerging challenges.

In line with this endeavor, the DENR-PPS would like to request for a **list of relevant plans** from your good offices that shall be considered in the updating of the said Framework, together with their respective status as indicated in the attached is the **Prescribed Template in Annex A**. Plans specified, but not limited to those of which are enumerated in **Annex B**, shall be provided by the respective implementing office/s.
