**SUBJECT : PARTICIPATION IN THE CONDUCT OF THE SECOND SESSION
OF GOING UNCURBED: A WEBINAR SERIES ON BECOMING A
DIGIZEN FOR THE ENVIRONMENT**

In line with the celebration of the Month of the Ocean, the Strategic Communication and Initiatives Service (SCIS) Youth Desk will be conducting the second session of **Going Uncurbed: A Webinar Series on Becoming a Digizen for Environment** on **May 22, 2024 (Wednesday) 1:00pm** via Zoom.

The webinar aims to explore how digital technologies can contribute to sustainability and the protection of our environment. It also hopes to foster youth involvement in natural resource conservation efforts through citizen science initiatives.

For this year's Month of the Ocean theme, "Develop a Sustainable and Equitable Blue Economy", the second session of the webinar shall feature the satellite-derived map developed by the DENR and the Philippine Space Agency - the National Mangrove Map that showcases a comprehensive overview and distribution of the mangrove ecosystems in the Philippines.

Assigned Youth Desk Focals and participants from youth-led organizations, academic institutions and others interested to participate in the said webinar may scan the QR code or visit the link <https://bit.ly/GoingUncurbedSession2> to register.
