

ADVISORY

FREE KIDNEY AND PROSTATE ULTRASOUND SCREENING

FOR/TO : All Officials and Employees
DENR Central Office

In celebration of the National Kidney Month this June 2024, the Human Resource Development Service, through the Medical Clinic has collaborated with the **Philippine Academy of Medical Specialists (PAMS) Foundation** to conduct **free kidney and prostate ultrasound screening** for officials and employees including contract of service personnel on 25 June 2024, from 9:00 AM to 3:00 PM at the DENR Social Hall Main Building.

The activity can accommodate up to 100 individuals and will be on a first-come first-served basis. All interested employees are encouraged to register online by accessing the link or QR code below. Those who have pre-registered will be prioritized.

Relative to this, please be advised of the following:

1. Health and safety measures shall be observed including proper wearing of face masks and disinfection of hands;
2. Kidney ultrasound screening will be available to both male and female employees while Prostate ultrasound screening will be available to male employees aged 40 years or older.
3. Employees who wish to undergo Kidney Ultrasound are required to drink 24 ounces or 710 ml of water an hour before the procedure and are advised not to empty their bladder before the ultrasound.
4. Those who will avail themselves of the prostate ultrasound screening are advised to refrain from voiding prior to the prostate ultrasound screening.
5. A free urologic consultation will be provided by the on-duty urologist for individuals diagnosed with renal or prostate disease.
6. Things to bring:
 - a) Ballpen
 - b) Water tumbler/container

Should you have any questions and/or clarifications, you may contact the DENR Medical Unit at VOIP 1178 or telephone no. (02) 89279920.

For information and guidance.
