FROM : The Undersecretary
Policy, Planning, and International Affairs

SUBJECT : **SUBMISSION OF ACCOMPLISHMENT REPORTS ON

This refers to the submitted monthly and quarterly accomplishment reports relative to forest protection and law enforcement, including updates on apprehension, illegal logging, illegal wildlife trade, and forest disturbances.

It is observed that the above-cited reports from the Regional Offices are being submitted to the Policy and Planning Service separately from the quarterly submission of Accomplishment Reports (AR) using Form 1. In line with this, you are requested to submit the detailed monthly and quarterly accomplishment reports on illegal logging, illegal wildlife trade activities, and forest disturbances directly to the Bureau concerned for their further review and analysis. Please make sure, however, that these reports are captured and consistent with your report indicated in Form 1.

For your information and appropriate action.
