In celebration of the 37th anniversary of the Department of Environment and Natural Resources (DENR) and as part of employee engagement activities, the Department in collaboration with the DENR Employees Union (DENREU) will lead a series of busking activities. These events will take place every Friday from 3:00 PM to 4:00 PM, providing an opportunity for various services and offices within the DENR Central Office to showcase their talents and creativity.

The primary objectives of these busking activities are to foster camaraderie and teamwork among staff, celebrate the diverse culture and talents within our organization, and provide an engaging means to commemorate our anniversary.

Performances shall be held at the Main Lobby of the DENR Central Office. A maximum of four offices will be accommodated each Friday, with each office allotted a maximum of 15 minutes for their performance, including setup time.

Each service/office is requested to coordinate and submit names of performer/s to Atty. Mario Jayson Rabara, Chairperson for Membership and Grievance, DENR Employees Union (DENREU) and Engr.
