Finance, Information Systems and Climate Change**

SUBJECT : **DATA COLLECTION AND DATA SUBMISSION FOR THE
2021 AND 2022 GREENHOUSE GAS INVENTORY FOR
WASTE, IPPU AND FOLU SECTORS**

DATE : **4 June 2024**

This refers to the ongoing development of the 2022 National Greenhouse Gas (GHG) Inventory for the Waste, Industrial Processes and Products Use (IPPU) and Forestry and Other Land Uses (FOLU) Sectors.

Following the conclusion of the GHG Trainings for the Waste and IPPU Sectors on 18 - 22 March 2024 and the webinar series for FOLU sector on general and cross-cutting issues, and data collection on 5 April and 8-9 May 2024, data collection shall be conducted to be aligned with the timeline set by the Philippine Greenhouse Gas Inventory Management and Reporting System (PGHGIMRS) Agencies and Secretariat for the submission of the first Biennial Transparency Report (BTR1) due on 31 December 2024.

In addition, paragraph 57 of Decision 18/CMA.1 on Modalities, procedures, and guidelines for the transparency framework for action and support referred to in Article 13 of the Paris Agreement states that:

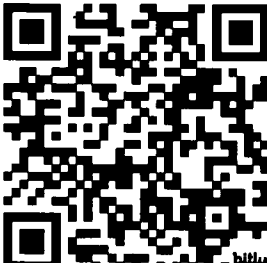

Each Party shall report a consistent annual time series starting from 1990; those developing country Parties that need flexibility in the light of their capacities with respect to this provision have the flexibility to instead report data covering, at a

ANNEX

DATA COLLECTION MATRIX

| SECTOR/SUB-SECTOR | LINK | QR CODE |
|--|---|---|
| Industrial Processes and Products Use (IPPU) | https://bit.ly/IPPU_DCM |  |
| Waste/Solid Waste | https://bit.ly/SW_DCM |  |
| Waste/Wastewater | https://bit.ly/WW_DCM |  |
| Forestry and Land Use (FOLU) / Land Use, Land Use Change and Forestry (LULUCF) | https://bit.ly/FOLU_DCM |  |

minimum, the reference year/period for its NDC under Article 4 of the Paris Agreement and, in addition, a consistent annual time series from at least 2020 onwards.

The current call for the conduct of the national GHG Inventory is for the year 2022. However, following the guidance from paragraph 57 of the Decision 18/CMA.1, there is also a need to submit the 2020 and 2021 National GHG Inventories as crucial components of the country's first Biennial Transparency Report (BTR1). The 2020 National Greenhouse Gas Inventory is part of the activities for the preparation of the Biennial Update Report (BUR), which is due for release this year. This has been completed together with the 2015 National Greenhouse Gas Inventory. With this, we need to include the 2021 National Greenhouse Gas Inventory in our current inventory activities.

To proceed with the activities for the 2021 and 2022 National Greenhouse Gas Inventory, we request that the data be submitted **on or before 25 June 2024**. For reference and reiteration of the data needs per sector, kindly refer to the attached annex containing the links to download the data collection matrices.

For submissions of the data, kindly contact the CCS Greenhouse Gas Management and Reporting Unit through the following email address: ccs_ghgunit@denr.gov.ph copying sgrecabar@denr.gov.ph and lcsilva@denr.gov.ph.

For your appropriate action.
