Dear **RED Melicor**;

We are delighted to extend a warm invitation to **DENR's geodetic engineers and technical experts** to the upcoming **17th South East Asian Survey Congress (SEASC 2024)**, scheduled on August 15 to 16, 2024, at the Century Park Hotel, Malate, Manila, Philippines.

The theme of **SEASC 2024** is "**Global Excellence in the Geospatial Profession for the Next Industrial Revolution**". This event will bring together professionals, geodetic engineers, surveyors and technical experts from across South East Asia to share knowledge, insights, and innovations in the field of geodesy. The congress will feature a diverse range of activities, including:

- Keynote presentations by renowned field experts;
- Technical sessions covering a spectrum of topics spanning geodesy, geospatial data collection and processing, geomatics applications, and sustainable development;
- Interactive workshops and demonstrations showcasing the latest advancements in geospatial technologies, including remote sensing, GIS, and GPS among others;
- Networking opportunities with peers from across the region, including geodetic engineers, surveyors, and representatives from various industries;
- Exhibition showcasing the latest geospatial and geomatics solutions, products, and services;

To ensure inclusivity and accessibility, the SEASC 2024 will be conducted via a hybrid format allowing both in-person and online attendees to participate fully. For further details, you may visit <https://www.seasc2024.com/>.

Should you require further assistance, you may contact GEP-NCR Secretariat at 0917-591-3459 or through their email addresses at gepnrc@yahoo.com or gepnrcofficial@gmail.com.

Thank you very much for the continued support to our programs.

Sincerely Yours,

CARLOS P. DIZON
