ADVISORY SEMINAR ON HYDROPONICS/URBAN FARMING

FOR/TO

All Officials and Employees

DENR Central Office Regional Offices

Bureaus and Attached Agencies

In line with the celebration of the DENR 37th Founding Anniversary and the Environment Month, the Human Resource Development Service, will conduct a seminar on Hydroponics/Urban Farming on 20 June 2024, 9:00am at the DENR Social Hall, 2nd floor, DENR Main Building, Visayas Ave., Diliman, Quezon City and via Zoom platform. The learning event is designed to all DENR officials and employees nationwide.

This seminar aims to educate and inform us about the latest advancements and techniques in hydroponics, which is a method of growing plants without soil by using mineral nutrient solutions in an aqueous solvent. It is also an excellent opportunity for all officials and employees to gain valuable knowledge and insights into sustainable agricultural practices that align with our environmental goals.

All interested officials and employees are requested to accomplish the preregistration form on or before 19 June 2024.
