Dear Partners in Gender and Development:

Greetings from the Philippine Commission on Women (PCW)!

Cognizant of its mandate under the Magna Carta of Women (MCW), the PCW has developed the **Compendium of Gender Equality and Women's Empowerment (GEWE) Indicators** and a monitoring and evaluation (M&E) database which both consist of indicators that have been sourced from various international and national instruments and commitments.

This year, the PCW is undertaking a data collection activity to gather information in support of the GEWE indicators. Results of this undertaking will be used for reporting and development planning and policymaking to advance the situation of both women and men in the country.

In view of this, the PCW extends an invitation to **one (1) representative** from your agency to participate in the **Online Consultation for the Data Collection of Tier 2 GEWE**

Indicators on 20 June 2024, 9:00 a.m., via Zoom Platform. Participants are requested to confirm their attendance through this link until June 18, 2023: <https://bit.ly/Tier2GEWEOnlineConsultationRegForm>. We will be providing information on the program of activities as well as the Zoom meeting link once finalized.

Attached with this email are the **data collection matrices** where you could initially supply the relevant data and information required for each indicator, to include the consolidated indicators (for reference only) and the **summary of indicators (per sector)** so that you will be guided on which set of indicators is your agency identified to contribute.

For questions and clarifications, you may send us an email at pdpmed@pcw.gov.ph / jsremillete@pcw.gov.ph or call us at (+632) 8735-8918 or 8735-4767 loc. 119-122.

Thank you very much for your support to gender equality and women's empowerment!

Very truly yours,

PCW-PDPMED / M&E Team
