**SUBJECT :** **INVITATION ON THE ATTENDANCE/PARTICIPATION FROM THE FIELD OFFICES AT THE POLICY TECHNICAL WORKING GROUP MEETINGS/ DISCUSSIONS**

**DATE :** JUL 10 2024

---

This pertains to the agreement during the Policy Technical Working Group (PTWG) no. 2024-05 held last June 13, 2024 to provide a platform for the Field Offices to participate in policy deliberation at the Central Office. The above recommendation is a response to the findings and recommendations of the Integrated Regional Field Assessment and Validation System for ENR Management (I-RISE) to ensure robust consultation with the Field Offices.

The PTWG members regularly convene for a collaborative discussion to deliberate on policy proposals as to their intended impacts particularly on the environment, economic, social and institutional aspects and ensure that the proposed policies are harmonized across sectors.

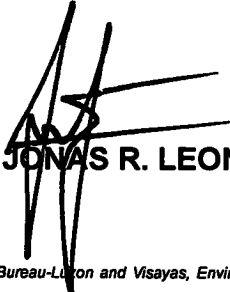

In order to address operational gaps in policy implementation, this Office invites the Regional Office, Community Environment Natural Resources Officers (CENRO) and Provincial Environment Natural Resources Officers (PENRO) to attend and participate during PTWG meetings through available online platform.

To facilitate the sending of the invitation link for PTWG meetings, please send the following details to the Policy and Planning Service through email at [psddivision@gmail.com](mailto:psddivision@gmail.com) and [policy@denr.gov.ph](mailto:policy@denr.gov.ph).
