**MEMORANDUM**

**TO : All DENR Central Office and EMB Employees**

**FROM : Climate Change Service and Gender and Development Office**

**SUBJECT : Trick or Treat Event for DENR Daycare Center Students**

**DATE : 18 October 2024**

---

In celebration of the upcoming Halloween, the DENR Daycare Center will be organizing a Trick or Treat event for its students on October 28 - 29, 2024, at 9:00 AM.

The students, accompanied by their teachers and parents, will be visiting offices within the DENR Central Office and Environmental Management Bureau (EMB) to engage in this fun and festive activity. We kindly ask for your support and participation by preparing some treats or goodies for the children when they visit your offices.

Your cooperation in making this event enjoyable for the kids is greatly appreciated. Should you have any questions or need further information, please feel free to contact Teacher Katrina Consuelo M. Dailo at 0946 911 77 31.

Thank you for your continued support.
