SPECIAL ORDER )  
NO. 9 :  
Series of 1976 )

1976-01-20

SUBJECT: Designating Atty. Reuben A. Ganaden as  
Project Officer for Mariculture Projects.

Effective immediately, Atty. Reuben A. Ganaden, Sr. Fishery Biologist and Officer-in-Charge of the Biology Section, Fisheries Research Division, is hereby designated as Project Officer for Mariculture Projects vice Mrs. Priscilla C. Borja who retired from the service. It is understood that he shall implement the DNR/BFAR Special Projects implementation plan approved by the Secretary and without prejudicing the normal operation of the Bureau of Fisheries and Aquatic Resources.

Atty. Ganaden is being designated for the reason that he is next-in-rank to the position and moreover, since July, 1975, the Mariculture Projects has no Project Officer to monitor and evaluate the progress of the project. He is qualified to handle the added duties because he is a B.S. Zoology graduate from U.P. and at the same time a L.L.B. graduate. He has acquired the necessary training and experience in fisheries qualifying him to perform the duties of a Project Officer.

This designation, however, shall not entitle Atty. Ganaden to preferential right to promotion.

This order takes effect immediately and shall remain in force until revoked in writing.

All orders and/or memoranda inconsistent herewith are deemed revoked.
