Diliman, Quezon City

January 14, 1981

MNR Special Order No. 13
Series of 1981

CREATING A COUNTERPART STAFF TO THE
UNIVERSAL ENGINEERING CORPORATION
TECHNICAL MISSION

In accordance with the agreement entered into by the Ministry with the Universal Engineering Corporation (UEC) whereby UEC shall provide a technical mission to undertake the development of an internationally bankable program for the local construction of medium and small-sized fishing vessels in the Philippines, the Ministry shall provide counterpart staff to undertake the preparation of informative material and to assist the UEC technical mission in the performance of task stated in their terms of reference. The counterpart staff will be composed as follows:

Nannette Kampitan FIDC
Economist

Feliciano Balcos, Jr. FIDC
Fishery Resource Specialist

Roberto Mauhay BFAR
Naval Engineer

Facundo Yeneza PFMA
Marketing Specialist

Noel Matus NRMIC

This order shall take effect immediately and shall remain in force until the termination of the tournament.

JOSE L. LEIDO, JR.
Minister
