Ministry of Natural Resources  
OFFICE OF THE MINISTER  
Diliman, Quezon City

02 March 1981

SPECIAL ORDER  
NO. 68  
Series of 1981

SUBJECT: Implementation of the BFD-NRMC Management  
Information Systems Development Project

In the interest of service and in order to improve BFD's organizational and systems capabilities in generating, processing and managing forestry data and information, the above project shall be implemented jointly by the Bureau of Forest Development and the Natural Resources Management Center.

The Director of the Bureau of Forest Development is hereby authorized to organize counterpart project teams in the regions, in addition to the present project team and management committee in the BFD central office for purposes of carrying out the project activities in the field offices.

The Director-General of the Natural Resources Management Center is likewise authorized to maintain an NRMC project team, according to the requirements of the project.

In implementing the project, the project teams may tap the services of any qualified MNR personnel both at the central and regional offices.

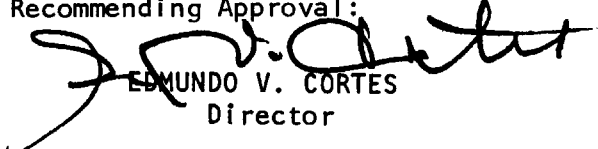

The project may also avail of the services of experts and consultants as the project so requires.

All expenses required to accomplish the objectives of the Project shall be chargeable against the funds set for this project. Further, personnel providing services to the project in addition to their regular duties shall receive compensation commensurate to their duties and responsibilities. Their compensation shall be within the rates determined by the NRMC Governing Committee on the matter.

This Order takes effect immediately and shall be in force in CY 1981.

  
J. ANTONIO AGUENZA  
Acting Assistant Secretary
