MINISTRY OF
NATURAL RESOURCES

20 February 1981

SPECIAL ORDER
No. 98
Series of 1981

SUBJECT: Creation of the Program for Non-Conventional Energy
Application for Natural Resources Development.

In line with the desire of the Ministry of Natural Resources to harness every possible non-conventional energy resources to support the development of the country's natural resources, the Program for Non-Conventional Energy Application for Natural Resources Development is hereby created.

The Program is entrusted with the development and implementation of projects on solar power, biomass, and other non-conventional energy technology for natural resources application. It shall also coordinate with the bureaus/agencies of the Ministry all the bureau/agency-based projects oriented towards non-conventional energy.

The Program shall be managed by a committee composed of Assistant Secretary J. Antonio Aguenza, Assistant Secretary Arnold B. Caoili, Jess Valerio, OIC of Planning Service and Dr. Celso R. Roque, Director-General of the Natural Resources Management Center.

Furthermore, Dr. Roque shall concurrently act as Program Director to oversee the implementation of said Program. He shall be assisted by Arnulfo R. Manalo and Nemesio B. Jorge, Jr. both NRMC Project Analysts and Jose Rene Montelibano, Overall Coordinator of MNR Special Projects.

This Order shall take effect immediately.

JOSE J. LEIDO, JR.
Minister
