SPECIAL ORDER
No. 120
Series of 1982

SUBJECT: Creation of a Management/Technical Committee
for the Forestry Statistics Project.

In the interest of better forest management and upon recommendation of the Forestry Statistics Workshop participants, a management/technical committee for the project to improve data on forest areas and volume of timber resources is hereby created. It shall have the following functions:

1. Provide direction to the Project.
2. Provide management/technical expertise to the Project.
3. Review/evaluate/approve project outputs.
4. Provide specific recommendations/comments to the Project.

The Committee shall be composed as follows:

1. Ricardo Umali (NRMC)
2. Cirilo Serna (BFD)
3. Adolfo Revilla (UPCF)
4. Rogelio Baggayan (BFD)

All expenses to be incurred by the management/technical Committee in the implementation of their functions shall be chargeable against BFD and NRMC funds subject to the usual auditing and accounting rules and regulations.
