SPECIAL ORDER
NO. 141
SERIES OF 1983

SUBJECT : Implementation of the Interim Plan
of Supervision and Management of
Sale Areas under Stumpage Sale

In view of the impending operationalization of sale areas under the Stumpage Sale Project and in the absence of a formal NRDC organization for this undertaking, the interim plan of supervision and management of said sale areas is hereby adopted for implementation.

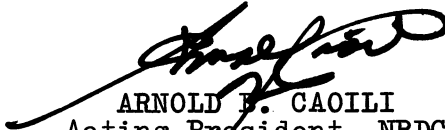

Under the plan, tripartite action and coordination among the NRDC, BFD and the winning bidder/contractors of the sale areas shall be undertaken. Luzon, Visayas and Mindanao shall each have a project implementing unit to oversee area operations. A project manager shall lead a project implementing unit appropriately supported by a technical and administrative group.

Project personnel shall be stationed at the sale area to supervise and/or undertake management and control activities. The Bureau of Forest Development shall deploy counterpart personnel to conduct periodic inspection and evaluation.

All project implementing units shall be under the supervision and control of the National Project Coordinator of the Stumpage Sale Project who shall provide directions as may emanate from the NRDC management. Appropriate administrative and technical staff shall be provided to the central project office under the National Project Coordinator.

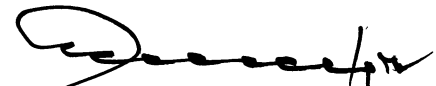

Along this line, Mr. Gregorio S. Palis, as National Project Coordinator, shall endeavor to facilitate the immediate implementation of the Interim Plan.

This Order takes effect immediately.

ARNOLD B. CAOILI
Acting President, NRDC
