MINISTRY OF NATURAL RESOURCES

VISAYAS AVENUE, DILIMAN, QUEZON CITY

February 9, 1983

SPECIAL ORDER

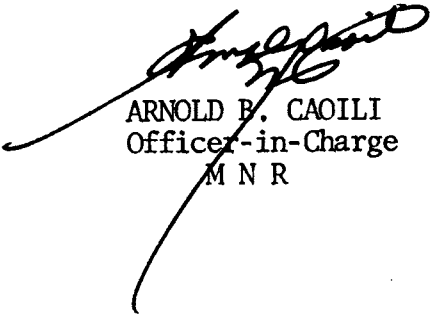

No. 54
Series of 1983

SUBJECT: Authorizing the Natural Resources Management Center (NRMC) to host the Second Asian Agricultural Symposium entitled "The Application of Remote Sensing to Resources and Agricultural Development on February 28 - March 3, 1983 at the Manila Midtown Ramada Hotel.

In the interest of the service, and in line with the Ministry of Natural Resources program on the Use of Remote Sensing Technology in the survey and monitoring of our country's natural resources, the Natural Resources Management Center (NRMC) in collaboration with the Tokai University of Japan, is hereby authorized to host the Second Asian Agricultural Symposium, entitled "The Application of Remote Sensing to Resources and Agricultural Development" slated February 28 - March 3, 1983 at the Manila Midtown Ramada Hotel. This symposia aims to convene a small group of Remote Sensing experts from various contries in Southeast Asia to discuss current developments in Remote Sensing as applied in Resources and Agricultural Management.

Tokai University of Japan shall provide travel funds for the foreign participants from Southeast Asia. However, NRMC shall shoulder all local expenses which consists of pre-conference expenses, food, accomodation for the participants and other incidental expenses that may arise during the conduct of the symposia. Funds for such purposes shall be chargeable against NRMC funds, subject to the usual accounting and auditing rules and regulations.

This Order shall take effect immediately.
