ENVIRONMENT AND  
NATURAL RESOURCES

10 March 1988

DENR SPECIAL ORDER  
NO. 190  
Series of 1988

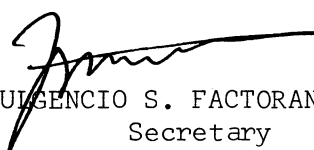

SUBJECT: RIVERS REVIVAL PROGRAM

Cognizant of the economic, social and biological importance of major riversystems, and realizing the need to rehabilitate and restore the riversystems, all Regional Executive Directors (REDs) are hereby directed to:

- 1) conduct a survey of all major riversystems in their respective regions to determine the following:
  - a. major sources of pollution; and
  - b. violators of existing pollution laws.
- 2) issue notices of violations to all prima facie cases; and
- 3) submit a status report on the above to the Undersecretary for Environment and Research within two (2) months.

Expenses for this undertaking shall be drawn from the regular operating budget of the Regional Office.

For strict compliance.
