NATURAL RESOURCES

30 March 1988

DMR SPECIAL ORDER  
NO. 250  
SERIES OF 1988

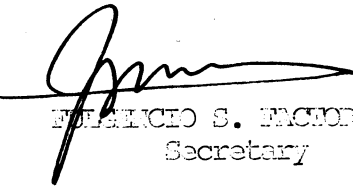

SUBJECT : Amendment in the composition of the Monitoring Team created under DMR Special Order No. 3, S-88 regarding the hauling of 7,720 cubic meters of logs cut by Isabela Lumber Industries, Inc.

1. In the interest of the service, and for the purpose of determining and recommending actions to be implemented as well as continue monitoring of the hauling operations of 7,720 cubic meters of logs cut by Isabela Lumber Industries, Inc. as per permit granted on February 5, 1988, the monitoring team created under DMR Special Order No. 3, Series of 1988 is hereby amended, to be composed of the following:

Forester Elgardo A. Aquino - MDCC/Team Leader  
Forester Gilbert Galapia - EIB/Member  
Forester Alexander D. Anda - MDCC/Member  
Forester Samuel Santos - EIB/Member  
Mr. Frederico Colina - MDCC/Member  
A representative from - DMRB/Member  
Protected Areas and Wildlife Bureau

2. The monitoring team shall submit a periodic report on the progress of the hauling operations to the Chairman, Technical Study Group.
3. The team shall closely coordinate with the District Forester of Ilagan Isabela in the said hauling operation.
4. The team is authorized to seek assistance from any DMR Office in the area as they may find necessary.
5. All expenses incurred by the members of the team shall be charged to MDCC subject to accounting and auditing rules and regulation.

This Order shall take effect immediately.

  
FRANCISCO S. MACORANI, JR.  
Secretary
