

SPECIAL ORDER
NO. 257
SERIES OF 1988

APR 14 1988

SUBJECT : IMPLEMENTATION OF THE FUELWOOD RESEARCH AND DEVELOPMENT, WINROCK INTERNATIONAL SUPPORTED PROJECT AND ASSIGNMENT OF DENR STAFF COUNTERPARTS

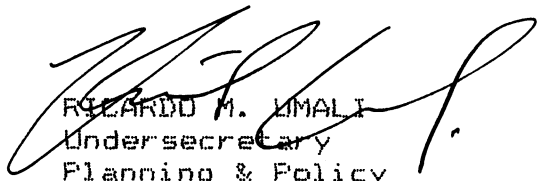

In the interest of the service and to derive maximum output for the DENR on the Forestry/Fuelwood Research and Development Project supported by Winrock International the following staff specialists are assigned as staff counterpart to the Project Consultant for the duration of the Project:

Paciencia A. Votacion
Forester, Economic Division, FMB

Jocelyn M. Alcazar
Forester, Social Forestry Division, FMB

They shall work with the Consultant on the implementation of the project, study and internalize the approaches, methodologies, technologies in the organization and implementation of the project.

As a terminal activity of the project, a presentation of a report shall be made by the Consultant and staff counterpart on the output of the Project including the sourcing of data, the approaches, methodologies and technologies used.

RICARDO M. LIMALI
Undersecretary
Planning & Policy
