JAN 28 1988

DENR SPECIAL ORDER)
NO. 41
Series of 1988

SUBJECT: Creation of a team to monitor
the hauling of old cut logs of
Labason Enterprises, Inc. (LEI)
from its concession area.

1. In the interest of the service, and in order to monitor the hauling of 1,360 cubic meters of old logs of Labason Enterprises, Inc. cut prior to the expiration of its TLA No. 181, a team is hereby created composed of the following:

For. Pablo C. Lorenzo	-	Team Leader
For. Mosib D. Lomondot	-	Member
Asst. District Forester, Liloy, Zamboanga del Norte	-	-do-
Representative, DENR Regional Office, Region 9, Zamboanga City	-	-do-

2. The team shall identify a logpond/drypond where the said logs are to be hauled and inventoried/scaled prior to its disposition.

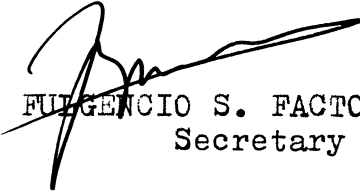

3. The team shall confiscate freshly cut logs, if any, found in the said company's cutting area, logpond or drypond.

4. The team shall coordinate their activities with the Regional Executive Director and the District Forester concerned and is authorized to seek the assistance of any District personnel therein for the effective undertaking of their task.

5. The team shall be entitled to traveling expenses, per diems and allowances, subject to usual auditing and accounting rules and regulations.

6. The team shall submit its report three (3) days upon completion of its field work.

This Order takes effect immediately.
