NOV 03 1989

DENR SPECIAL ORDER
No. 1011
Series of 1989

SUBJECT : Creation of a Technical Review Committee
(TRC) for the RP-Japan Crocodile Farming
Institute Project (CFIP)

In the interest of the service and in consonance with the Department's efforts to strengthen the implementation of the research plans and programs of the above-mentioned project, a Technical Review Committee (TRC) is hereby created to wit:

A. Composition

The TRC shall be initially composed of the following officials/personnel and designated as follows:

Asst. Director Samuel R. Penafiel	- Chairman
RTD Corazon Catibog Sinha	- Vice-Chairman
Dr. Manuel Bravo	- Member
Mr. Carlos Custodio	- Member

B. Functions

1. Review and evaluate the research plans and programs of the Project;
2. Monitor and review the progress of on-going researches and studies of the Project on a quarterly basis;
3. Provide recommendations and technical guidance in the conduct of researches for the effective operation of the Project; and
4. Submit periodic evaluation reports, recommendations and other reports for discussion and consideration of the Joint Committee of the Project.

The TRC members shall be entitled to claim reasonable travelling allowances, incentive allowance/honoraria and other allowable expenses in the discharge of their functions chargeable against the project funds subject to the usual accounting and auditing rules and regulations.

This Order takes effect immediately and supersedes all orders inconsistent herewith.

EUGENIO S. FACTORAN, JR.
