DEC 15 1989

DENR SPECIAL ORDER)  
NO. 1154 :  
Series of 1989 )

SUBJECT: Further clarification on the reforestation  
deposit policies/guidelines.

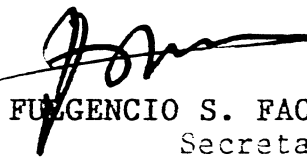

In order to ensure uniform compliance in the implementation of the reforestation deposit policies/guidelines by TLA holders, the following clarification is hereby further issued:

The ratio of one (1) hectare to be reforested for every hectare logged shall be the basis for computing the amount to be deposited. Such area shall be indicated in the approved IAOP. This area to be reforested shall be in addition to the Timber Stand Improvement (TSI) and Enrichment Planting (EP) activities that the TLA holder may undertake.

The TLA holder shall reforest all open and denuded areas within the license area as indicated in the IAOP.

In case there is no open and denuded portion within the license area, the DENR shall select an open and/or denuded area for reforestation outside the license area.

The provisions of DENR Administrative Order Nos. 79, 32, 53 and DENR Circular No. 1 and other pertinent policies/guidelines on the reforestation deposit scheme that are inconsistent herewith are hereby revised and/or amended accordingly.
