19 February 1989

Special Order
No. 180
Series of 1989

SUBJECT : Authorizing MR. JIMMY J. CRISOLOGO,
Supervising Geologist I of the Mines
Sector, DENR-IV to undertake geo-
logical and geochemical mapping in
Doña Remedios Trinidad, Bulacan in
connection with his M. Sc. Degree
Course in ITC, Delft, The Netherlands
under the Netherlands Fellowship
Program

Mr. Jimmy J. Crisologo, Supervising Geologist I of the Mines Sector, DENR-IV, is in the final preparation of his thesis for the M. Sc. degree course in Mineral Exploration at ITC, Delft, The Netherlands. Doña Remedios Trinidad, Bulacan is the thesis project area approved by the ITC course board.

He is hereby authorized to travel and undertake geological-geochemical survey in the said project area. Moreover, authority is granted to Mr. Crisologo to avail of personnel and equipment support from the Mines Sector, DENR-IV and the field expenses that will be incurred by the survey shall be chargeable to the Mines Sector subject to all existing budgetary and accounting procedures.
