

DEPARTMENT OF  
ENVIRONMENT AND  
NATURAL RESOURCES

APR 05 1989

Special Order No. 328  
Series of 1989

Assignment of PPSO Personnel as Counterparts  
in the implementation of the ADB funded T/A  
for the Monitoring of Reforestation Projects.

In order to facilitate the implementation of the Technical Assistance for the monitoring of Reforestation Projects, and in order to effectively support the National Forestation Program, the following personnel are hereby assigned to assist the consultants, in addition to their regular duties and responsibilities:

Rodrigo Agir	-	Project Development and Evaluation Division, Planning Service
Roberto de Leon	-	Management Information Systems Division, Planning Service

They shall draw-up a working schedule that will effectively serve the requirements of both their mother units and the technical assistance.

They shall be entitled to receive honorarium or other forms of remuneration that may be allowed by existing rules and regulations in connection with these assignments.

  
ROGUE ARRIETA MAGNO  
Assistant Secretary for  
Planning and Policy Studies
