

DEPARTMENT OF  
ENVIRONMENT AND  
NATURAL RESOURCES

MAY 16 1989

SPECIAL ORDER  
NO. 457  
Series of 1989

SUBJECT: Preparation of Documentary on Foreign-Assisted  
Projects for the Donors' Meeting on June 19, 1989

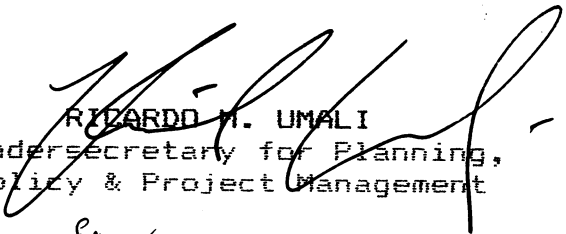

In order to make a good impression to the donors of foreign grants and assistance programs during the Donors' Meeting tentatively scheduled on June 19, 1989, it is deemed necessary to show a composite video documentary showing the DENR's mandates and program thrusts and how foreign assistance is helping DENR attain its various economic, social, and environmental objectives. While some footages are already available from existing documentaries, additional footages must be filmed in order to present a wider range of activities under foreign-assistance. To this effect, the following PPPMO personnel are hereby designated to assist in this effort:

|                                   |   |                       |
|-----------------------------------|---|-----------------------|
| Service Chief Jose Gapas          | - | Producer              |
| Service Chief Jeremias Canonizado | - | Co-Producer           |
| Conrado Gulmatico                 | - | Field Coordinator     |
| Rafael Camat                      | - | Editor                |
| Frank A. Hilario                  | - | Scriptwriter-Director |
| Maximo Soriano                    | - | Production Manager    |
| Eduardo Esteller                  | - | Cameraman             |
| Project Managers of FAPs          | - | Production Assistants |

The above team must complete shooting all the needed scenes on or before June 3, 1989. The draft script must be available by 26 May 1989 for review by higher authorities.

The team shall endeavor to utilize existing footages of project accomplishments and shoot only representative footages of major activities (e.g. refo, social forestry, agro-forestry, watershed rehab, etc) to cut down on production costs. Travelling and other expenses of the team, and professional fees for editing, dubbing, etc. shall be charged pro-rata to the funds of the various foreign-assisted projects.

This Order shall take effect immediately.

  
RICARDO M. UMALI  
Undersecretary for Planning,  
Policy & Project Management
