DENR SPECIAL ORDER )  
NO. : 991 :  
Series of 1989 )

SUBJECT: Designation of Raoul Geollegue and  
Paula C. de los Reyes as National  
Technical Coordinator and Assistant  
Technical Coordinator of RRDP, Respectively

In the interest of service and to provide closer linkage and coordination of programs and projects between the RRDP and the National Secretariat for the ISF Program and to facilitate the decentralization of RRDP activities to the regional level, the following changes in the current set-up of the Central Project structure of RRDP shall be undertaken:

- A. The Central Project Structure (CPS) of RRDP shall provide technical and manpower assistance to the ISF National Secretariat in: (a) introducing/applying appropriate RRDP strategies/technologies and management system to the ISF Program, (b) developing areas of expansion for enhancing community-based natural resources management program, and (c) preparing an ISF Program of Action.
- B. To effect the above objectives, PENRO Raoul Geollegue, Chief Operating Officer of the ISF National Secretariat shall hereby be designated in concurrent capacity as RRDP National Technical Coordinator in lieu of Forester Conrado V. Gulmatico who is now reassigned on full time basis to the Task Force for Community-Based Forest Management Program in accordance with Special Order No. 856 dated September 21, 1989.
- C. Paula C. de los Reyes, currently the Chief Project Evaluation Officer of RRDP shall serve as the Assistant National Technical Coordinator and shall assist the Project Director in ensuring that all agreements with the funding agency, the USAID, are complied with.

This Order takes effect immediately and supersedes any orders inconsistent herewith.
