These officials are tasked to meet on a regular basis to ensure the completion of the component's work plans as per their respective duties and responsibilities based on the project's Implementation Document. All expenses incurred by these officials in the course of their activities can be charged against project funds subject to fund availability and the existing accounting and auditing rules and regulations. They are also entitled to receive compensation as per NCC 53 guidelines effective from the time they started assuming their responsibilities in the various project components up to the component's/project's completion chargeable against 01-900H of the project's Personal Services.

This order shall take effect immediately and revokes other orders inconsistent therewith.

LITO MONICO C. LORENZANA
Acting Secretary

Recommending Approval:

RICARDO M. UMALI
Undersecretary for Planning, Policy
and Project Management

LIRIO T. ABUYUAN
Assistant Secretary for Foreign-Assisted
and Special Projects
