NATURAL RESOURCES

JUL 18 1990

SPECIAL ORDER
No. 671
Series of 1990

SUBJECT: Creating a Multi-disciplinary Group composed of technical experts from NSCB, NSO, U.P. (Diliman and Los Banos), and the DENR (Central and Regional Offices) to conduct an evaluation and analysis of the IFO data.

In the interest of the service and in order to resolve IFO issues and gaps and to ensure the reliability and credibility of the generated IFO data, a multi-disciplinary group composed of technical experts from the various academic and scientific institutions is hereby created as follows:

- Chairman - Linda SD. Papa of National Mapping and Resource Inventory Authority (NAMRIA)
- Members - Representative from National Statistical Coordination Board (NSCB)
- Representative from National Statistics Office (NSO)
- Representative from University of the Philippines (Los Banos) Institute of Math, Physics and Statistics *by*
- Representative from Planning Service
- Representative from Forest Management Bureau
- Representative from Region concerned

The above-named institutions with their respective technical experts are requested to conduct an evaluation on the reliability, credibility and usefulness on the IFO data.

The results of the evaluation will be submitted to the undersigned duly signed by all of the technical experts.

All expenses to be incurred in the conduct of the evaluation are chargeable against DENR funds subject to the usual accounting and auditing rules and regulations.

This Order shall take effect immediately and shall remain enforced until the completion of the evaluation.
