SPECIAL ORDER
NO. 1052
SERIES OF 1991

SUBJECT: PARTICIPATION OF SOME NAMRIA TECHNICAL PERSONNEL
TO THE FISHERIES SECTOR PROGRAM-DENR COMPONENT IN
THE IMPLEMENTATION OF ECOLOGICAL ASSESSMENT

The fishery resource and other related ecological assessment is a component of the Fisheries Sector Program being implemented by the Department of Agriculture (DA). Its purpose is to establish a technical information base for sustainable use and management of nearshore marine resources. With this, the FSP-DENR Component therefore encourage inter-agency participation within the DENR to strengthen and accomplish the implementation of Ecological Assessment activities particularly, Rapid Resource Assessment (RRA) and Water Quality Monitoring of critical bays (Tayabas Bay, Sorsogon Bay, Lagonoy Gulf, Ragay Gulf, Sogod Bay, San Pedro Bay) This inter-agency collaboration is expected to facilitate a smooth exchange of information among all DENR staff bureaus and other agencies involved.

In this regard, the bureaus of the Department shall extend assistance thru technical personnel augmentation to the FSP-DENR Component.

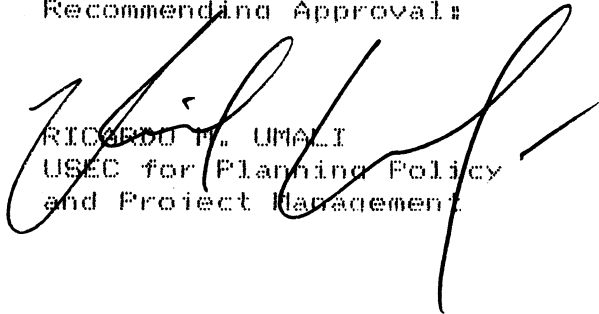

The following personnel of National Mapping and Resource Information Authority (NAMRIA) is therefore directed to participate in the RRA under Ecological Assessment:

PERSONNEL

Feliciano Opeña	Solita Orca
Nestor Padiernos	Romeo Tejada
Ruth Valderama	Virgilio Santos
Lina Dumayac	Wilma Capistrano
Oscar Abrajano	

This order shall take effect immediately and remain in force during project life unless otherwise revoked or suspended.
