

FEB 15 1991

DENR SPECIAL ORDER )  
NO. 112 :  
Series of 1991 )

SUBJECT: Creating a Committee to Study and  
Draft the Regulations and Guidelines  
Pertaining to Cave Management and  
Conservation.

In the interest of the service and for DENR to conserve natural heritage for the present and future generations, and specifically to study and prepare the draft of the regulations and guidelines pertaining to the management and conservation of caves in the country, a Committee is hereby created to consist of the following :

1. Ms. Luz C. Gonzales - Head  
Protected Areas and Wildlife  
Bureau
2. Mr. Edwin Domingo - Member  
Mines and Geo-Sciences Bureau
3. Mr. Samuel Paragas - Member  
DENR Field Operations
4. Ms. Eileen Danganan - Member  
DENR Policy Studies Division
5. Ms. Cecile Mercado - Member  
Environmental Management  
Bureau
6. One Representative from - Member  
DENR Region 8, Tacloban City

Members of the study group are to give preferential attention to this task and they are expected to submit their output within two (2) months upon approval of this Order.

The Assistant Secretaries of the Services concerned, Regional Executive Director of Region 8 and Directors of Environmental Management, Mines and Geo-Sciences, and Protected Areas and Wildlife are hereby directed to extend full support necessary in the preparation of the draft of the regulations and guidelines in terms of administrative, manpower and budgetary support.

Effective immediately.

  
FULGENCIO S. FACTORAN, JR.  
Secretary
