DENR SPECIAL ORDER
NO. 164
Series of 1991

Subject : Creating a team to conduct field check/ validation of the areas earmarked for logging operation CY 1991 of Anchorage Wood Industries, Inc. (TLA No. 24).

In the interest of the service and in order to determine the actual status of the area and timber resources within the areas earmarked to be logged for CY 1991 of Anchorage Wood Industries, Inc. under TLA No. 24 located in Lingig, Surigao del Sur, a validation team is hereby created which shall be composed of the following;

1. Forester Rene Siapno
2. Forester Victorio Pula

Specifically, the team shall be tasked to perform the following functions;

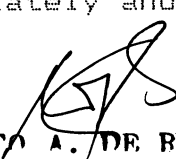

1. Assess the status of the area program for logging operations CY 1991 IAOP whether same are old growth or residual forest; and
2. Validates the 20% timber inventory conducted by the CENRO/PENRO Personnel used in the preparation of the Plan.

The team shall seek the assistance of the DENR Regional Office concerned and other agencies for the expeditious completion of the work.

Upon completion of the assigned task, the team shall submit a comprehensive report to this Office which shall be used for the revision and/or appropriate action of their submitted IAOP CY 1991.

The team shall be entitled to reasonable travelling expenses chargeable against their respective offices subject to usual auditing procedures.

This Order takes effect immediately and shall remain in full force until revoke.
