

DEPARTMENT OF  
ENVIRONMENT AND  
NATURAL RESOURCES

SPECIAL ORDER  
No. 208  
Series of 1991

MAR 08 1991

Subject : Organization of Teams to Gather Soil and Other Environmental Information for the Bataan Environmental Information System Project

In the interest of the service and in order to provide necessary data for the Environmental Information System Project for the Province of Bataan, 5 teams are hereby organized to undertake soil/site characterization and gather existing edaphic and climatic information of the area. The team shall be composed of the following:

- Team A : .1. Aurea Lachica - Team Leader  
2. Victor See  
3. Obdulia Dorado  
4. Ray Ronald Labayane  
5. Representative from Regional Office/PENRO/CENRO
- Team B : 1. Elizabeth Romualdo - Team Leader  
2. Raymunda Labuguen  
3. Arturo Mista  
4. Representative from Regional Office/PENRO/CENRO
- Team C : 1. Editha Moises - Team Leader  
2. Imelda Cortez  
3. Roberto de Leon  
4. Sonia Igaya  
5. Representative from Regional Office/PENRO/CENRO
- Team D : 1. Luz Peralta - Team Leader  
2. Rosalind Romualdo  
3. Milagros Valdez  
4. Representative from Regional Office/PENRO/CENRO
- Team E : 1. Martiniano Rotol - Team Leader  
2. Concepcion Tagros  
3. Merlie Casigay  
4. Representative from Regional Office/PENRO/CENRO

Field Study Coordinators: Gregorio Pajarillaga and  
Corazon Caguimbal

Specifically the teams shall be responsible for the following:

1. Soil characterization and site classification of the area;
2. Identification of suitable species within the area;
3. Identification of land use and cultural management practices of the people in the area; and
4. Gather all relevant maps e.g. those indicating projects and land classification.

They shall be under the direct supervision of the OIC, Planning Service and the OIC Soil Section, Reforestation Division of FMB.

Upon return, they shall submit to the Project Leader, Environmental Information System Project, a report and maps on the results of the studies conducted.

All expenses to be incurred by the Teams shall be charged against the DENR Funds, subject to the usual accounting and auditing rules and regulations.

In line with the above, the DENR Regional Executive Director Region 3 and the Provincial Environment and Natural Resources Officer of Bataan are hereby instructed to extend necessary assistance to the Survey Teams by providing the required counterpart manpower, data and other logistical support related to the Project.

This order shall take effect immediately.
