The above pool of reviewers shall perform technical review of articles which are referred to them by the Editorial Board based on their area of expertise according to Sylvatrop Policies and Guidelines for Contributors. The

reviewers shall give their recommendations whether an article is publishable or not and the reasons for the recommendation. Specific comments on a particular portion of an article are encouraged.

This Special Order takes effect immediately and shall be in force unless revoked by competent authority.

EULENCIO S. FACTORAN, JR.
Secretary
