NATURAL RESOURCES

FEB 08 1991

Special Order
No. 88
Series of 1991

SUBJECT: Authorizing Mr. FLORANTE G. PEREZ, Supervising Geologist of the Mines and Geo-Sciences Dev't. Service, DENR, Region IV to conduct natural hazard survey in Regions I, II, III and CAR in connection with his masteral studies.

Mr. FLORANTE G. PEREZ, Supervising Geologist of the Mines and Geo-Sciences Development Service, DENR, Region IV is currently preparing his thesis for the M. Sc. course in Applied Geomorphology and Engineering geological Survey at the International Institute for Aerospace Survey and Earth Sciences (ITC), Enschede, The Netherlands. The thesis project area as approved by his Director of Studies include the areas affected by the 16 July 1990 earthquake within Regions I, II, III and CAR.

He is hereby authorized to travel and conduct natural hazard survey in the said project area. Moreover, authority is granted to Mr. Perez to avail of personnel and equipment support from the Mines and Geo-Sciences Development Service, Region IV. Field expenses incurred by the survey will also be charged to the said Office subject to existing budgetary and accounting procedures. Mr. Perez shall submit copies of his findings and reports to the regions concerned and the Mines and Geo-Sciences Bureau for review and integration into regional studies.

This Order takes effect immediately and stays in force until the completion of the required survey, after which he shall immediately report back to his mother station.

GREGORIO L. MAGDARANG
Asst. Secretary for Field Operations
