NATURAL RESOURCES

Special Order  
No. 917  
Series of 1991

OCT 10 1991

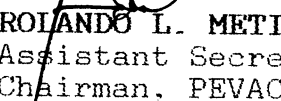

Subject : Creation of a Technical Committee that will assist the DENR-PEVAC in the Evaluation of Technical Proposals for the Consultancy Services for Project Management of the ENR-SECAL

In the interest of the service, an ad-hoc technical committee is hereby created to help the DENR-PEVAC in the evaluation of submitted technical proposals for the Consultancy Services for Project Management of the ENR-SECAL. The Committee shall be composed of the following personnel:

- |    |                     |   |               |
|----|---------------------|---|---------------|
| 1. | Rafael E. Camat Jr. | - | Chairman      |
| 2. | Claire Ungson       | - | Vice Chairman |
| 3. | Alma Logmac         | - | Member        |
| 4. | Demilour Reyes      | - | Member        |
| 5. | Edmundo Escubio     | - | Member        |

The Committee shall be guided by the attached evaluation criteria in coming up with their recommendations.

This Order shall take effect immediately and will be automatically revoked upon completion of its purpose.

  
ROLANDO L. METIN  
Assistant Secretary  
Chairman, PEVAC
