

DEPARTMENT OF
ENVIRONMENT AND
NATURAL RESOURCES

October 17, 1991

OCT 18 1991

SPECIAL ORDER
NO. 948
Series of 1991

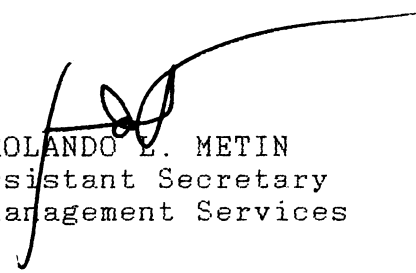

SUBJECT: Designation of a Systems Development Group to
Streamline the Functions of the Personnel
Division

In the interest of the service and to improve the efficiency and effectivity of personnel administration in the Department, a systems development group shall be designated to conduct an initial study and systems analysis and design on the functions of personnel administration.

The systems development group shall be composed of the following personnel from the Management Information Systems Division (MISD):

Project Leader : Emmanuel A. Miraflores
Members : Mervyn Alcoy
Jorge Balan
Rudicindo Higoy, Jr.
Joselito Martin
Aurora Prospero

All concerned offices are directed to assist and cooperate fully with the systems development group to expedite this work-enhancement project.

ROLANDO E. METIN
Assistant Secretary
for Management Services
