SPECIAL ORDER
NO. 1183
Series of 1993

SUBJECT: Field checking of the five percent (5%) field validation within the residual forest, Block I of Valderrama Lumber and Manufacturing Company, Inc. (VALMA)

In the interest of the service and pursuant to DENR Memorandum Order No. 05, Series of 1992, a Team is hereby created to conduct a field check/verification of the 5% field validation report within VALMA, which Team shall be composed of the following personnel:

PERSONNEL		OFFICE		
For. Roberto Oliveros	-	FMB	-	Team Leader
For. Allan Barcena	-	FMB	-	Member
Region XI representative	-		-	Member

The Team shall, in the conduct of the actual field check/verification, do the following:

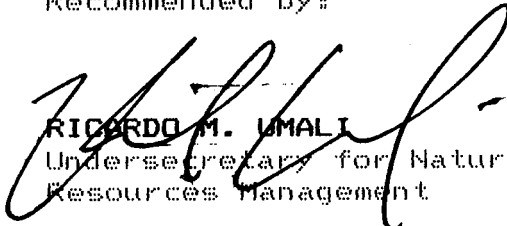

1. Make a random check of the areas under Block I residual forest subject of previous timber inventory, by employing at least a 2.0% sampling intensity;
2. Check the establishment of cruising strips and sampling units;
3. Within every sampling unit being checked, determine the total the number of trees and record the species, diameter, merchantable height and other data, as may be necessary; and
4. Take photographs and other relevant information during the field checking.

The Team shall coordinate with the Regional Executive Director concerned and is authorized to seek the assistance of any DENR employee within the Region for the early completion of the assigned task. All expenses that shall be incurred incidental to the field work shall be charged against the Trust Fund Deposit of VALMA, subject, however, to the usual government accounting and auditing, rules and regulations.

This Order takes effect immediately.

ANGEL C. ALCALA
Secretary
